

Which Fleetguard Product Is Right For You?

Fleetguard offers a choice of coolant (antifreeze) products in North America to meet every need for every type of engine, from diesel to natural gas to gasoline. From lowest cost to extended service intervals, from glycols to glycerin, these products are formulated by engine experts to provide exceptional protection over the life of your equipment.

ES Compleat™ OAT	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> Organic additive extended life coolant/antifreeze Life-of-the-Engine, 1,000,000-mile (20,000 hr) coolant* Free of nitrite, amine, phosphate, borate, silicate and 2-ethylhexanoic acid Compatible with non-metallics, including silicon seals and hoses 	Heavy-Duty (wet liner) Light Duty (parent bore) Diesel Natural Gas Gasoline Best choice for Natural gas engines, mixed fleets (HD/LD), and applications with Al heat exchangers or Al heads	ASTM 3306/6210 CES14603 CES14439 CES14636 Navistar Type IIIA Detroit Diesel DFS93K217ELC TMC 338 EC-1 (performance)

ES Compleat™ NOAT	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> Nitrited organic additive extended life coolant/antifreeze Life-of-the-engine (20,000 hr coolant with the use of extender at mid-life) 	Heavy-Duty (wet liner) Diesel Natural Gas Best choice for systems requiring nitrite; ELC and EC1 systems	ASTM 3306/6210 CES14603 CES14439 Navistar Type III TMC 329 EC-1 (performance)

ES Compleat	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> Fully formulated extended service coolant Life-of-the-engine, 1,000,000 (20,000 hr) coolant with the use of DCA4 	Heavy-Duty (wet liner) Diesel Natural Gas Great choice for Cummins applied HD and HHP engines	ASTM 3306/6210 CES14603 CES14439 Navistar Type II TMC 329B

Fleetcool™ EX	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> Fully formulated extended service coolant Life-of-the-engine, 1,000,000 (20,000 hr) coolant with the use of DCA2 	Heavy-Duty (wet liner) Diesel Natural Gas Great Choice for DD and phosphate-free systems	ASTM 3306/6210 CES14603 CES14439 Navistar Type II TMC 329B Detroit Diesel DFS93K217SLC

Fleetcool	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> Fully formulated standard service coolant No SCA pre-charge required 	Heavy-Duty (wet liner) Diesel Great Choice for Heavy-Duty conventional system	ASTM 3306/6210 CES14603 CES14439 Navistar Type II TMC 329B Detroit Diesel DFS93K217SLC

Testing and Maintenance.

At every test interval, check the coolant quality with a test strip and service the system as needed. No need to service or drain the coolant unless indicated to do so by the coolant test results.

Every Question, Answered.

For complete ordering information, please see your local Fleetguard or Cummins distributor, and ask for our Coolant Products Brochure, LT15108. For additional detailed technical information about the products listed here, request our Fleetguard Technical Information Catalog, LT32599.

*To maintain the protection provided by Fleetguard coolants, the proper level of inhibitor must be present. This can usually be achieved by topping off the cooling system with premixed Fleetguard coolant. The user is responsible for ensuring proper additive levels and coolant pH through the use of test strips and the addition of additives or new coolant if necessary. The recommended test intervals are as follows: OAT coolants – 300,000 miles, 6,000 hours or 1 year; Hybrid coolants – 150,000 miles, 4,000 hours or 1 year; Conventional coolants – Every oil drain interval or 1 year. The shortest of recommended hours, miles or 1 year should be used as the test interval. The test interval is a precautionary recommendation intended to prevent maintenance and engine problems from causing progressive, severe engine damage.

Best Warranty in the Business

The Cummins Filtration Warranty extends to our entire line of products, ensuring the same promise of performance and coverage beyond the competition. Visit cumminsfiltration.com to learn more about the competitive benefits of the Cummins Filtration Warranty.
