

# Fleetguard® Urea Filter Application Guide For Diesel Medium and Heavy Duty Trucks

Medium and heavy duty trucks manufactured starting on January 1, 2010 are required to meet the EPA Emission Standards. The Fleetguard Urea Filter - UF101 for diesel applications is designed for and supplied to OE manufacturers, and offers one SKU which covers up to 69% of Class 4 through Class 8 trucks in operation.

| Manufacturer             | Application Years | Engine Applications        |
|--------------------------|-------------------|----------------------------|
| <b>Class 8</b>           |                   |                            |
| American LaFrance        | 2010–2012         | Cummins ISL                |
|                          | 2010              | Cummins ISC, ISM           |
| Autocar                  | 2011              | Cummins ISB                |
|                          | 2010–2011         | Cummins ISM                |
|                          | 2010–2012         | Cummins ISL, ISC, ISX      |
|                          | 2011–2012         | Cummins QSB                |
| Crane Carrier            | 2010–2012         | Cummins ISL, ISC           |
|                          | 2010–2011         | Cummins ISM                |
| EL Dorado                | 2010–2012         | Cummins ISL                |
| Emergency One            | 2010–2011         | Cummins ISL, ISC           |
|                          | 2010–2011         | Cummins M11                |
| Ford                     | 2010–2011         | Cummins ISB                |
| Freightliner             | 2010–2013         | Cummins ISB, ISC, ISX, ISL |
|                          | 2010–2012         | Cummins N14                |
|                          | 2010–2011         | Cummins ISM                |
| Gillig                   | 2010–2012         | Cummins ISB, ISL           |
|                          | 2012              | Cummins ISM                |
| International (Navistar) | 2010–2011         | Cummins ISM, SIG600/ISX    |
|                          | 2013              | Cummins ISX                |
| Kalmar                   | 2010 and 2012     | Cummins ISC                |
|                          | 2011              | Cummins ISB                |
| Kenworth                 | 2010–2013         | Cummins ISL, ISX, ISM      |
| Mack                     | 2012–2013         | Cummins ISL                |
| New Flyer                | 2010–2012         | Cummins ISL                |
|                          | 2011–2012         | Cummins ISB                |
| Orion                    | 2010–2011         | Cummins ISL                |
|                          | 2010              | Cummins ISB                |
