

Fleetguard LF17800 Lube Filter for 2020+ DD13/15/16 Engines

The LF17800 provides:

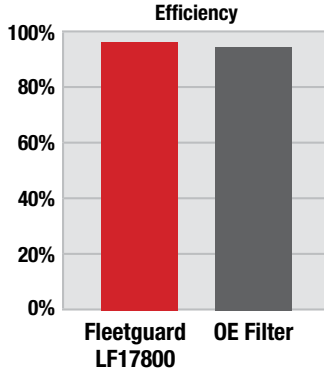

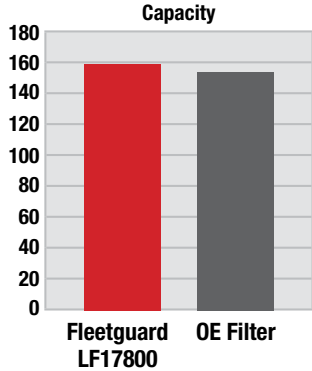

- Ease of installation as the filter can be quickly and efficiently removed from the housing and cap
- Equivalent capacity and efficiency as the OE filter

LF17800

Primary Engines	OE Part Number	Fleetguard Part Number
2020+ DD13/15/16	A4711800009	LF17800
2020+ DD13/15/16	A4711800209	LF17800
Pre-2020 DD13/15/16	A4731800909	LF17511

Equivalent performance to the OE filter

Tested in accordance to ISO4548-12 industry standard

“The installation of the new Fleetguard filter dropped right in like the OE, I really like it.”
- Real World End User Feedback
