The Best Warranty in the Business.

When you buy a Cummins Filtration product, you are assured superior warranty protection from the point of purchase throughout the recommended life of the product. Unlike industry competitors, our warranty coverage is not pro-rated, which means you are fully protected through the recommended service life of the product.

Specifically designed to protect your Off-highway equipment with clean air

These new Fleetguard primary air filters feature built-in, durable handles for easier than ever installation or removal.
