

4WD Catalogue

(Japanese Application)

The background of the lower half of the page is a photograph of a vehicle, possibly a truck or heavy-duty car, driving through a dusty or sandy environment. The vehicle is partially obscured by a large, semi-transparent, grey circular graphic element. Overlaid on this background is the text "4WD" in a very large, bold, white, sans-serif font. The "4" is the largest, followed by the "W" and "D".

4WD

Nothing Guards Like **Fleetguard**.

As a filtration company that manufactures its own media, Cummins Filtration knows the science from the inside out. With a full line of filters specifically engineered for a wide range of systems, you receive advanced design and high quality performance, providing the ultimate protection for all your equipment.

- n Meets OEM specifications - Fleetguard engineers all products to meet or exceed OEM specifications to ensure engines and other systems get maximum life.
- n Backed by the best warranty in the business - With the most inclusive and comprehensive warranty in the industry, you can have complete confidence in your purchase.
- n Filters for every fleet - Fleetguard has over 8,300 products covering the widest range of air, lube, fuel and hydraulic filters in the heavy duty industry.
- n Systems approach - We don't just provide parts. We are a comprehensive supplier to support the maintenance of your equipment.
